The current month's red envelope recipient is St. Joseph's Children's Hospital's Cardiac Center. The Tampa Bay Sushi Society is hosting "A Taste of Asia" benefit for St. Joe's, and you can still plan on attending on August 14, 2003. Go to www.sushisociety.com for the details - it will be fun and for a great cause! Next month's focus is on The Komen Race for the Cure®, an international fundraising series benefiting the Susan G. Komen Breast Cancer Foundation and its local Affiliates. It is the largest 5K series in the Country. CREW (Commercial Real Estate Women) Tampa Bay has a team forming and I hope you will consider walking with us "for the cure". If you are interested in joining our team, go to www.Komensuncoast.com, find CREW Tampa Bay and sign up! The race is in St. Petersburg, FL on September 20, 2003. If you live elsewhere, go to <http://www.komen.org/race/> to find a race near you.

Feng Shui has an ability to draw your attention to it and create a huge desire to learn more. As you learn more about Feng Shui and the history and applications, it is amazing when you start applying it to your life. I have been teaching for 8 years in various parts of the country, and, in my home town areas of Florida. There are so many aspects of Feng Shui that I decided that it is time I devote my energy to helping others learn how they can help others. The nine month Florida School of Feng Shui program is the beginning of a lifetime of learning. It is exciting to me that I will be passing on this information to those eager to devote themselves to this healing art. Part of the fun of learning is the surroundings, and I am happy to be able to offer the program monthly at the Center for Oriental Medicine in Tarpon Springs, FL, the charming town with Greek heritage. We will be incorporating Chinese exercise each morning before class (Tai Chi) and lunching on organically prepared delights.
