HOW TO CHANGE YOUR LIFE TO THE ONE YOU HAVE BEEN LONGING FOR!!

The *Florida School of Feng Shui* is beginning its 2004/2005 term on the weekend of October 2-3, 2004. Students who go through this course are GUARANTEED to find their lives changed at the end of the 9 month program. Once you step into this program, your eyes will be opened and life and your surroundings will have a different meaning for you.

Listen to what Florida School of Feng Shui 2004 graduates have to say about the 9 month certification program:

- ***“Florida School of Feng Shui brings cohesiveness to everything you’ve ever read about Feng Shui. I highly recommend the nine month class to anyone wanting to know and practice Feng Shui in their life. Carol Cannon brings some of the best people together to assist in the course, as well as providing information to further one’s education in this ancient art and science.”***
- ***“This process has been extremely educating and life changing as Feng Shui always is. I am very appreciative of the knowledge you shared with us, and, look forward to applying my education in my daily practice of Oriental medicine. I can’t wait to take future classes and would highly recommend the course.”***
- ***“As someone enters a modeling school and learns “outer” grooming and positive skills, a graduate from the Florida School of Feng Shui leans “inner” soul grooming, this is priceless. Florida School of Feng Shui made a tremendous impact into my life, and, transformed me into a positive, stronger individual.”***
- ***“I am looking forward to assimilating all the information I received, developing a prosperous business and furthering my knowledge and understanding.”***
- ***“The program provided me with a strong foundation on which to build my practice. Carol’s style of sharing her knowledge and gentle wisdom is engaging.”***
- ***“I only realize how much more I have to learn! This nine month program is only the beginning for me – a basis for starting many years of learning. I feel that Carol has exposed us to many different***

viewpoints – not just one. It has been a privilege to be in this class. I'm grateful for the knowledge that Carol has been willing to share with us. Her own experience, interest and knowledge have been so beneficial for us. A great program!"

- **"Carol has given me an excellent foundation in the subtle art of Feng Shui. This course confirmed for me again and again, how profoundly peoples' environments impact their relationships, finances, health and well being. I feel I now have the tools to creatively adjust the flow of energy in most any space. "**

FENG SHUI SUCCESS TIP FOR YOUR LIFE

[^ Top](#)

A kin of Feng Shui is the art of "Staging" a home for sale. I recently invited Carol Bryant, of Select One Realty in Safety Harbor, FL to review my home in anticipation of a potential sale. She asked me to stand at the entry to each room, and see where my eye went. Wow! I must have been too busy servicing my clients as this was a real eye opener for me. We get used to living in our homes, and often we simply don't "see" what is right in front of us (sounds like Feng Shui???)!! I have been a lover of beaded curtains but I realized that for every day doors, they were holding me back! Off they came, back on went the doors, or I pulled back the beads with a swag. All those pictures I love on the walls? Down! Freedom! What about all that extra furniture that I never use in rooms? Away! Hmmm..now it feels so good, maybe I will stay! If you live in the Tampa Bay area and are thinking of selling – give Carol Bryant a call at 727- 418-1022.
